

This apartment is located on the second floor and is a great opportunity due to its large area of 86 square meters and its privileged location. Inside the apartment, there is a single room and two double rooms, all of them with built-in wardrobes for maximum comfort. The apartment also has two full bathrooms, one of them with a bathtub, and a fully equipped kitchen. The dining room is spacious and can accommodate a large table to share meals with family or friends.

The apartment is very sunny and exterior, providing a large amount of natural light and a feeling of spaciousness. The floor is made of stoneware, a resistant material that is easy to clean. The heating runs on natural gas, being an efficient and economical option to keep the space warm during the winter months.

In summary, this apartment is a unique opportunity to live in a comfortable and well-located place, ideal for families and people looking for a spacious and bright space.
