Plot in an exclusive area of Calonge with panoramic views

This magnificent plot of more than 2,000 meters is located in the prestigious urbanization of Vizcondado de Cabanyes, overlooking the sea, in a quiet cul-de-sac.

There is already a project to build a house, but in reality, you can do the project yourself and design a new home. Its location in a quiet area and with a relief in stands, allows nobody to spoil your horizon.

Can you imagine an infinite terrace, a glass of wine and good background music while the sunset light changes? We are waiting for you to pay a visit.
